1. A military supply depot was observed in TOMASZOW MAZOWIECKI (Q 52/P 31), located east of the TOMASZOW MAZOWIECKI & RAWA MAZOWIECKI (Q 52/P 43) highway, about 2,600 feet from the "Wlanow" Factory, beyond the woods through which the highway runs northward. A concrete bunker, 38 x 26 feet, was south of the depot.
  2. The depot storage building, 400x80x40-foot brick-structure, was illuminated at night by spot lights. A spur track led to this building. Unidentified military goods, chemicals and fats were stored here.
  4. The depot was guarded by members of the Voluntary Militia (ORMO).
